I'm not sharing shit. I'm going to ignore the email until I've the got event in a manageable process. I don't do calls to share fun facts...

Also. What fun fact are you going to share?!
I suspect something along the lines of you don't do fun facts.

Travis wanted me to also send a quick message to you all to mention that we believe there's a lot more to discuss than just fundraising goals. We really want to be on the same page as a team and check in with all of you. We are totally swamped by UTOPIAfest next week and today / tomorrow is the very best time to meet with all of you. We think waiting until the week of the 17th might be a little late.

We know we are holding up the invitation Bc of Palevskys intro. We would like a clear update on the format of the invitation please. We are talking through that now. We need to get the invites out sooner than later most likely.

Sincerely,

Noa Lynne Sutherland, MSAOM, L.Ac

Hi all,

Travis and I are going through a little “under water” couple of weeks with family loss and UTOPIAfest and pressing Zoi Market / clinical needs.

We need to catch up to speed here. We are unfamiliar with Jay, Rachel, Matt and Heather. Could you guys let us know your roles and who you are associated with, any fun facts about yourself you would share! 😊

Thank you so much!

Sincerely,
